

The Minions of the Spirit Spouse

9/23/2026 — Topics 442–573 counted against the succubus and incubus identities — Berean Standard Bible

This is the third sheet in the Spirit Spouse trio. The first named the lure (succubus). The second named the jailer (incubus). This one names the **household**: every identity from Topics 666 numbers **442 through 573**, and how many of them show up in support of, or in league with, those two thrones.

In the chart, **442** is the last Destructive Attitude (having thoughts of anxiety). **443–573** are Destructive Identities Against God's Image: familiar identities. Inside that range sit the two thrones themselves: **503. familiar identity of incubus** and **561. familiar identity of succubus**, both from a root of idolatry and person-worship. The rest of the range is the staff. A familiar identity is not a costume. It is a name the enemy trains a person to answer to, so the Spirit Spouse does not have to work alone.

Writing is kept PG. Myths are not a second Bible. Counts below are from Topics 666 as written: same worship-root as 503 and 561; name-echoes into Spirit Spouse Gods topics 574–666; and pattern-league with the succubus study (lure, drain, night, fantasy, addiction, vanity) and the incubus study (jealousy, control, dominance, possessiveness, cruelty). An identity may serve one throne or both. Scripture text: Berean Standard Bible (public domain).

I. THE COUNT

132 topics in the asked range 442–573.

2 are the thrones: 503 incubus, 561 succubus.

130 remaining identities are in league with at least one throne. None in this range sits idle.

96 times an identity in 442–573 shows up in support of the **succubus** (26 succubus-only + 69 household + the succubus throne herself).

105 times an identity in 442–573 shows up in support of the **incubus** (35 incubus-only + 69 household + the incubus throne himself).

69 identities serve the shared house: they open the door, keep the night, or enforce the claim for either pattern.

8 identities share the worship-root of the two thrones (idolatry and person-worship), including 503 and 561.

14 familiar identities echo by name into Spirit Spouse Gods (574–666), for **22** name-matches (one identity can echo more than one spirit).

Read the two numbers 96 and 105 as *how often the staff reports for duty*, not as extra demons invented on top of Topics 666. Every name below is already on the chart. The count is the league.

II. THE TWO THRONES

- **503. familiar identity of incubus** — idolatry and person-worship. The possessive claim. Companion study: Incubus - the Jealous & Destructive.
- **561. familiar identity of succubus** — idolatry and person-worship. The lure that drains. Companion study: Succubus - Tales from the World, from Mythology, from the Bible.

They are not opposite religions. They are a pair. The lure recruits. The jailer keeps. The minions below either bait the snare, lock the door, or do both.

III. SAME-ROOT WORSHIP CLUSTER

503 and 561 sit on idolatry and person-worship. These eight identities in 442–573 share that root. They treat a spirit, a person, or a craft as someone to serve. That is how a Spirit Spouse gets a name in the house.

- **453.** blasphemy
- **467.** divination
- **503.** incubus (throne)
- **521.** moonstruck
- **526.** occult spirits
- **556.** spiritism
- **561.** succubus (throne)
- **572.** witchcraft

The six who are not the thrones — blasphemy, divination, moonstruck, occult spirits, spiritism, witchcraft — are the inner court. They keep the idol lit so the succubus and incubus do not have to argue for worship. The worship is already a habit.

IV. NAME ECHOES INTO SPIRIT SPOUSE GODS (574–666)

When the familiar identity's stem reappears as an "interacting with the spirit of ..." topic, that is a straight league: the identity downstairs answering the spirit upstairs. Fourteen identities do this, 22 times:

- **443.** addiction — #580 addictions and sex addictions
- **461.** deception — #594 deception
- **465.** disobedience — #597 disobedience
- **467.** divination — #587 ba-al worship; #642 python; #664 witchcraft
- **469.** doctrinal obsession — #629 obsession
- **472.** doubt and unbelief — #657 unbelief
- **481.** fear — #604 fear
- **515.** loneliness — #618 loneliness
- **526.** occult spirits — #587 ba-al worship; #642 python; #664 witchcraft
- **533.** pride — #639 pride
- **538.** rebellion — #643 rebellion
- **556.** spiritism — #587 ba-al worship; #642 python; #664 witchcraft
- **570.** violence — #661 violence
- **572.** witchcraft — #664 witchcraft; #587 ba-al worship; #642 python

Addiction downstairs matches addictions and sex addictions upstairs. Loneliness matches loneliness. Fear matches fear. Pride, rebellion, disobedience, deception, violence, unbelief, obsession, witchcraft. The Spirit Spouse Gods list is not a second set of problems. It is often the same staff wearing the interacting-with-the-spirit badge.

V. MINIONS OF THE SUCCUBUS (26)

These 26 identities line up with the lure-and-drain pattern: fantasy, night, vanity, passivity, addiction-bondage of the body, the soft door that lets a man leave the road without a fight. They support 561. They do not, by themselves, wear the jailer's face.

- **559.** strife
- **560.** stubbornness
- **564.** temper
- **567.** unfairness
- **568.** unforgiveness

VII. HOUSEHOLD THAT SERVES BOTH (69)

These 69 identities work for either throne, or for the house itself: fear-cluster, death-cluster, occult-cluster, shame, suspicion, lying, rape and molestation as taking, suicide as the end of the drain. Anxiety at 442 (the last attitude) and anxiety at 446 (the familiar identity) are both counted. The attitude is the thought. The identity is the name you answer to.

- **442.** anxiety
- **443.** addiction
- **446.** anxiety
- **447.** apprehension
- **453.** blasphemy
- **457.** crib death
- **460.** death
- **461.** deception
- **462.** defeatism
- **463.** depression
- **465.** disobedience
- **466.** distrust
- **467.** divination
- **468.** doctrinal error
- **469.** doctrinal obsession
- **471.** doom and gloom
- **472.** doubt and unbelief

VIII. WHAT THE COUNT IS SAYING

Out of 130 staff identities, **more report to the incubus (105 including his own throne) than to the succubus (96 including hers)**. That is not because the lure is weaker. It is because the jailer uses a larger violence-and-control vocabulary on this chart, and because the shared household (fear, death, occult, shame) was counted toward both. The succubus still has twenty-six specialists whose whole job is the soft snare. The incubus has thirty-five specialists whose whole job is the chain. Sixty-nine keep the house running either way.

If a person only repents of "the succubus" or only of "the incubus," one hundred thirty other names in this range can still answer the door. The minions do not resign when the throne is named. They scatter into fantasy, jealousy, nightmares, witchcraft, and worry, and they wait.

IX. TALES FROM THE BIBLE

Scripture does not use the medieval words succubus and incubus. It does name turning to spiritists, prostituting oneself with them, inquiring of the dead, and servants who masquerade as light. The familiar identity is that masquerade worn as a self.

Leviticus 19:31

³¹You must not turn to mediums or spiritists; do not seek them out, or you will be defiled by them. I am the LORD your God.

Leviticus 20:6

⁶Whoever turns to mediums or spiritists to prostitute himself with them, I will also set My face against that person and cut him off from his people.

Leviticus 20:6 puts prostitution in the same sentence as spiritists. The succubus sheet already named the sale of the body. This verse names the sale of the soul to a familiar. The incubus sheet named ownership. This verse names God cutting off the one who sold himself.

Deuteronomy 18:9-12

⁹When you enter the land that the LORD your God is giving you, do not imitate the detestable ways of the nations there. ¹⁰Let no one be found among you who sacrifices his son or daughter in the fire, practices divination or conjury, interprets omens, practices sorcery, ¹¹casts spells, consults a medium or spiritist, or inquires of the dead. ¹²For whoever does these things is detestable to the LORD. And because of these detestable things, the LORD your God is driving out the nations before you.

2 Corinthians 11:14-15

¹⁴And no wonder, for Satan himself masquerades as an angel of light. ¹⁵It is not surprising, then, if his servants masquerade as servants of righteousness. Their end will correspond to their actions.

A familiar identity is a servant in costume. Vanity looks like beauty. Jealousy looks like protection. Fantasy looks like comfort. The end still corresponds to the actions.

Ephesians 6:12

¹²For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this world's darkness, and against the spiritual forces of evil in the heavenly realms.

1 John 4:1-3

¹ Beloved, do not believe every spirit, but test the spirits to see whether they are from God. For many false prophets have gone out into the world. ² By this you will know the Spirit of God: Every spirit that confesses that Jesus Christ has come in the flesh is from God, ³ and every spirit that does not confess Jesus is not from God. This is the spirit of the antichrist, which you have heard is coming and which is already in the world at this time.

Test the name you have been answering to. If it will not confess Jesus come in the flesh, it is not a personality quirk. It is a spirit. The minions fail that test on purpose.

XI. CLOSE

The world sells a familiar identity as "just how I am." Mythology painted night visitors and jealous gods. Topics 666 numbered the staff: 132 names from 442 to 573, two thrones, 130 minions, 96 in league with the succubus, 105 in league with the incubus, 69 in the shared house, 8 on the worship-root, 14 echoing upstairs into Spirit Spouse Gods.

Do not leave the minions standing when the throne is named. Repent of the lure, the jailer, and every identity in this range that has been answering for them. Christ does not share a house with a familiar. He makes a people who confess that Jesus Christ has come in the flesh, and who will not turn to spiritists, and who will not prostitute themselves with them.
