

7 types of Agreements

1. Every time a familiar spirit suggests something and I say OR do the same thing, it is an agreement.
2. Every time an agreement is in place and blood is spilled, it is a blood covenant.
3. Every time a blood covenant is in place and someone innocent dies, it is a blood contract.
4. Every time an object or part of an object is used in a witchcraft curse, that's a hex.
5. A vex, by comparison, is someone who did something to you and it made an emotional wound (also known as soul wound), and from that place you said "they did this to me because of _____". The moment you describe what you're never going to do, such as "I'm never going to let that action show up in my life," that's VEX.
6. When your physical body comes in contact with another person and it is a consensual agreement or nonconsensual violation that blood will be involved, that's a blood ritual that feeds a blood altar.
 - It could be a handshake with blood.
 - It could be sex with a woman while she is at that time of the month.
 - It could be licking the wound of your own finger.
 - It could be getting a blood transfusion.
 - It could be fertility treatments.
 - It could be oral sex.
 - It could be anal until someone bleeds.
 - It could be any of the previous with a combination of several.
7. A SRA or Satanic Ritual Abuse is the place where molestation, rape, or other types of sexual abuse happens as part of an INITIATION, a TITHE OF A LIFE, or an OFFERING OF A BLOODLINE ON AN ALTAR.
