Good day and welcome to this podcast. I'm your host Ashton. I would just like to say happy holidays to everybody. And this is going to be the last podcast for 2022. God willing, in January 2023, we will continue with our podcast series, either on faith, authority, or whatever the Lord has placed upon my heart to move on. Amen. So today we are going to do 101 things God said about your healing. This is Bible verses taken from the Bible, the Old Testament and the New Testament.

And we are going to pray this over our lives. If you are requiring healing or if you know somebody that is requiring healing and they need to press upon the covenant of Christ Jesus, the promises of God, then they can use these scriptures to stand on. And even if you are standing in the gap for somebody, these scriptures would definitely help. In the book of James, it says, if there's anybody that is sick of mine, you call the elders, lay your hands upon them, anoint them and heal them.

We've been given the power to do so by God, but it requires faith. And we need to mix the things that we are saying with faith so that we can activate the power of heaven in our lives. Paul says, those who were in the desert heard the very same things, but they didn't mix it with faith. So it was of no effect to them. I pray that God has a strong effect in your life as you repeat these scriptures over your life. And as you pray them, you mix it with faith that the desired outcomes, the healing that you are praying for is immediately experienced within your body.
