Other services include facials that is fighting the effects of aging, improve skin's elasticity, lift and scalp your face, neck and décolleté and much more. Contact Whisperskincare.com, whisperskincare.com, helping both male and female improve their lives. And another big shout out goes out to Norman and Tanisha Miller who have sponsored this podcast.

They are from the YouTube channel Repentance 101, The Millers. Good day and welcome to this podcast. I'm your host Ashton. Today we're going to continue with the series called Building Faith. Today's going to be the final installment of Building Faith. If you go through the podcast, you'll remember that we started with the foundations of faith. What is the basis of faith? The role of the Word of God in faith. The role of hope in faith. We also spoke about how we should develop the understanding that it is not just merely information that is inside of your mind, reading the Word of God and then just regurgitating it, but it is using your faith given to you by God with the Word to receive that which you are asking God for.

And today we're going to continue with looking at information versus knowledge. We're going to look at the role of God in faith and His importance in all of it and how we should then approach the Father so that when we do approach Him, we are not rejected by Him, but we are received by Him and the things that we request are granted by God because they line up with the will of God for our lives. This is probably one of the famous verses that people use when they are quoting scriptures about God.

They say, My people are destroyed for a lack of knowledge. Another way you can read this verse is, My people are destroyed for a lack of me. That word knowledge means to take into consideration. It means to sit down and think a thing through before you act upon it. That word knowledge refers to God Himself. If you go to Hosea verses 1 to 6, You will see that

when the people rejected God and rejected the knowledge of God in their conduct, then verse 6 comes about where He says, I will also reject thee and you will be no priest to me.

Your natural knowledge, that is your five senses, limits you to the physical world, what you see, touch, taste here and so on. And it only seeks to please itself. But the spiritual knowledge, the fear of God, the knowledge that there is a supreme being, that there is a creator, and He has a plan for your life, that is super important. Supernatural knowledge. And we should seek first the supernatural knowledge of God before we seek out our own physical needs.

Why, you might ask, well, you are a representative of the Father here upon the earth. And if you have no knowledge of the Father, how then can you represent Him here upon the earth? How can you stand as an ambassador for Him here upon the earth? Your role and responsibility in faith is to produce what God requires of you here upon the earth. God has a requirement in the earth that has to be met through you. In the same manner, Jesus said, I do nothing of my own will, in the same manner you and I must now consider God.

Think on Him first. What does His words say? What does He require of me? And with that information, with that knowledge, by faith, then stand in the gap that God requires you to stand. The knowledge of God, what God reveals to you, is supernatural. It is higher than the information you will ever receive here upon the earth. It doesn't matter what technology's advancements are. But when God gives you information, it is far superior than anything you have ever heard here upon the earth.

Ephesians 1, verses 17 and 18 reads, That the God of our Lord Jesus Christ, the Father of glory, may give unto you the spirit of wisdom and revelation in the knowledge of Him, the eyes of your understanding being enlightened. This verse tells us that we have a physical limitation as man. But when we are engaged in the supernatural realm, when we are engaged with the Father, then what we see and what we hear and what we do will no longer be limited, but it will be increased because the Father will give us the spirit of wisdom.

He will reveal to us in the knowledge of Christ Jesus the things that we need to do for our lives and the things not only for our lives, but also for the lives of other people. The eyes of your understanding will be enlightened. So when you see natural things happening, then you don't come with natural solutions, but you come with spiritual solutions. An example of this is when Jesus was going past the pool of Bethesda and he saw the lame man sitting there and he said to the man, Will thou be made whole? And that's the King James language.

But basically said, Do you want to be healed? Do you want to be made full again? And the man said to him, I've got nobody to pick me up and put me in the waters when the angel comes and troubles the waters. And then Jesus said to him, Get up and take your bed. You are

healed. And later on, Jesus met the man again. And Jesus said to the man, Sin no more. Jesus in the realm of the spirit saw the root of the man's problems, that it was sin. And he told him to sin no more, lest a worse thing come upon you.

Now he is speaking from a spiritual realm. Now he is speaking from a spiritual realm. That is going to come into the physical realm. His eyes of understanding were open and he was not limited to what the physical senses showed him. In order for you to walk out your faith in a particular area, you need knowledge of that particular subject or that particular matter. If we do not engage the word of God by faith on a particular matter, we will be walking in darkness in that particular area and we will not have the authority required for us to overcome that particular situation.

We need the revelation of our situation released to us from the word of God by God so that we can be overcomers in that particular area. It may be a stronghold, it may be a setback, but the word of God has got the information, the revelation required for us to overcome it. One of the major concerns that we should be concerned about, because it's God's concern, is how selective we are in applying the word of God to our lives. We cannot pick and choose when to be godly.

We have to live for God, consider him always, and be obedient to his will. The extreme opposite of authority is obedience. When the policeman raises his hand to pull you over the side of the road, if he's standing on the road because he caught you speeding on his speedometer, it is then your obedience to that command that makes his authority effective. We, as the children of God, need to be obedient so that the authority that has been laid in us by God or given to us by God can be effective.

Ultimately, it is God that's going to do the work, but we have to be obedient and not selective when we want to choose to serve the Father and how we want to choose to serve the Father. We should do it in the manner that he has prescribed of us, complete and total obedience. Proverbs 1 verse 7 says, The fear of the Lord is the beginning of knowledge. That word knowledge is the same word in Hosea chapter 4. So, considering God, always considering God, is the beginning of knowledge.

That is the fear that you have. You will first ask the question, is God going to be happy with this? Joseph is a prime example of that. When Potiphar's wife said, Joseph, come have a freebie with me. Joseph said, how can I do this to my God? His primary concern was not himself, not serving himself, but the Father in heaven. Proverbs 2 verses 5 and 6 reads, Your go-to for wisdom is God, and out of his mouth you will receive knowledge and understanding.

There are many scriptures where God says, come to me, ask me for knowledge. I will show you deep things, but it is up to you to ask God for that knowledge, and it is up to you to be obedient to that knowledge, and not to seek yourself, but seek the will of the Father in that knowledge. 2 Corinthians 4.18 reads, It was man's understanding for Moses to stand at the edge of the sea and open his arms and look at the waters for that many hours, but the supernatural knowledge of God, the supernatural workings of God parted that sea. 3 Corinthians 5.18 says, Many Christians have a form of knowledge.

We all know the scriptures. We can quote them. Some people can outquote you with scriptures, but when you look at their lives, their lives have fallen apart and are in tatters, and you ask yourself the question, But if this person knows so many scriptures and can quote the pastor and quote the theologians under the table, why isn't their life the way God wanted it to be? Maybe it is. Maybe it is because they just don't have faith in the things that they are quoting.

There is a big difference between quoting scriptures and having faith in scriptures and having faith in God and standing on the promises and the covenant that God has given us for the things we so require. So in conclusion, Jesus said to his disciples in Mark 11 verse 22 to 24, He says, So Jesus answered and said unto them, Now I've added the she or she says. Therefore, Therefore, I say unto you, He says, He says, He says, God is not slack concerning His promises.

And God is not a forgetful God. He knows that God is not a forgetful God. He knows those who have faith in Him. He responds to faith. I've always said this, God responds to faith. Moses had to have huge faith to stand and look at an ocean, open his hands and then see that water part and the people walk on dry land. And you and I should have greater faith than that. For we have a relationship through Messiah Jesus Christ. And this is the blessing, the generational blessing that Jesus left us with.

He said, greater works than these you will do. So there is something inside of us that has the potential to do greater works than even the apostles. But it's up to us to have faith in God, be obedient, listen, do His will. God bless you all.
