Romans 8 verse 39 says, No height, no depth, no any other creature shall be able to separate us from the love of God, which is in Christ our Lord. Notice that the Apostle is telling us that it doesn't matter the distance. It doesn't matter how deep it is. It doesn't matter how high it is. It doesn't matter that if it is an animal. It doesn't matter that if it is a spirit. It doesn't matter what it is. It will not separate us from the love of God because that love is in Christ our Lord.

God's complete love for us is wrapped up in Christ Jesus. Circumstances produces fear. We can act carnally, especially if we are in a tight position and we want to do things our own way. Then we can use the flesh or we can move in the perfect love of God. Because the perfect love of God casts out all fear. And when it casts out all fear, it casts out all carnality also. It allows us to operate within the spirit that God has given us. So we are no longer afraid of the consequences of what might happen.

Something that we have no control over or we have never seen come to pass yet. It will never influence our decisions because we will remain rooted in Christ Jesus. We as Christians have got a triple layer of protection that is surrounding us. We have the Holy Spirit. We are in Christ. And Christ is in God. So we are well protected and insulated from the enemy. There isn't anything that God treasured so much that He didn't sacrifice for us. His perfect only begotten Son.

He sent Him to the cross for us. That is the perfect love of God we have for us. So regardless of the times, regardless of the place that you're in, we should be firmly rooted in Christ Jesus. Saturated in the word, knowing the commandments, following them, because God has got us in all circumstances. Romans 8 verse 15 says, And this is our blessing that God is not a stranger to us. He is our Father and we can call on Him boldly and He will look after us.

He's got our backs. He will fight for us. He will deliver the victories into our hands long before we've even gotten up to go to battle. If fear is still a contender inside of you, it means there are areas within your life that God has not yet won over. There's a saying that says, If

you invite the devil to stay, he will bring a suitcase with him. Eject all fear in the knowledge that God loves you perfectly. Thank you.
