Praise God for his goodness and mercy for opening the ears and the hearts of people in the name of Jesus. We tear off the veil of the enemy and let the voice of the Holy Spirit go forth, not the voice of the enemy in the name of Jesus. I take authority over the airwaves now and I silence every contrary tongue in the name of Jesus. Hallelujah. This is part two of deliverance from spirit husbands and spirit wives. We call them what? Incubus and succubus. I thank God for the blood of Jesus.

I thank God for Jesus dying on the cross. Because if any one of us got what we deserved, we would be dead. But it's God in his infinite grace and mercy that was still standing. It is God in his infinite grace and mercy that after all that sleeping around that we did, we didn't get HIV. It is God in his infinite mercy that you still found a way to get saved. Even though your parents and your great-grandparents were either worshippers, God called you out. He pulled you out. It is God's mercy.

So the devil might be harassing you right now, but you're way ahead. Because you have the grace and mercy of God. The devil might be harassing you right now, but you're way ahead. Because now with knowledge, you can come to the throne of grace and obtain mercy. Hallelujah. There is a way out. Somebody said there is a way out. Free from my past. In the name of Jesus. The word of God says in 1 Corinthians 3.16, That know ye not, that ye are the temple of God, and the spirit of God dwelleth in you.

If any man defile the temple of God, he shall God destroy. For the temple of God is holy, which temple ye are. For me, the one that not himself, will arise and fight for me. The reason why is because you open the door. But the Bible says in Isaiah 49, verse 24, That shall the prey be taken from the mighty or the lawful captives delivered. But thus saith the Lord, Even the

captives of the mighty shall be taken away, And the prey of the terrible shall be delivered. For God will contend with those that are contending with you, And he will save your children.

Hallelujah. He will not only save your children, He will feed those that are oppressing you with their own flesh, And they shall be drunken with their own blood as with sweet wine. So yes, you committed abortion. You committed fornication. Yes, you went out and slept around. Yes, masturbation. Aha, that's what it's one. You know, the devil can list it on and on. Fornication, did it. Abortion, this, this, that, that, that. Pornography, bestiality, that, that, that. They're calling it, and you're looking at yourself, I'm going, I'm guilty on this, I'm guilty.

Okay, I didn't do this, I'm guilty here, guilty there, guilty there. How many people feel that way? By the time they call ten of it, You're guilty for about eight. But the word of God is not contending with you, And he will save you, he will save your children. The Bible says in the book of Colossians, That blotting hands that was at the way, And nailed it to the cross. You understand, we, you run to the blood, You run to the cross, You can turn back right now, And fight the devil with machine guns.

The devil will be like, You did this, I'm reading this about the blood, I'm looking at it now. Back to your dad and down. Because you do this. I say yes I did it but I am not guilty because I paid the blood. But I did. But in the blood of Jesus. Our relationship. 29. Jesus married seven brothers and they all died. In heaven. Who would she be married to? They would neither would be like what? Not much. That means a door. Relationship. I have shut that door. I'm no longer going back into fornication.

I'm no longer going back into adultery. I'm no longer going back into pornography. I'm no longer going back into all that stuff. I'm going to stop looking all hot and sexy. I don't mind looking nice. But I'm not going to go out there flaunting it and shaking my brain from side to side and flipping it. Because if you go out there flipping and tingling and shaking it. The demons are dancing. Go sister. We love you. You cute. Because the doctors of Zion are wanton. They walk with straight false necks flipping and tingling as they go.

They are under judgment. God is supposed to be modestly dressed. So when you do that you open the door. And by the time you open the door. When you are 15. When you are 20. When you are 22. There is no problem. By the time you turn 35. You will be suffering from the things you did when you were 20. God will help us. Somebody say God will help me. Say God will help me. Say there is a way out of captivity. Out of Jesus. Out of Jesus. Because Jesus died for me. Because Jesus died for me.

In the name of Jesus. The word of God says in 2nd Corinthians 11 to that God is jealous over us with a godly jealousy. We are the bride of Christ. Do you understand? The bride of Christ.

The bride of Christ. Because Jesus died for me. We belong to Jesus. He might want to hang around with people that are not God's children. But we are the children of God. Somebody rise up on your feet. Somebody rise up on your feet. And I want you to begin to decree this. Before we pray, if you're here and you've not, or you're listening to us and you've not made Jesus Christ the Lord of your life, you don't even qualify to start this prayer.

Or you've been living in sin, you have some deliberate sin you need to repent from. You need to repent so that we can pray. Hallelujah. You need to pray. Say, Lord Jesus, come into my life. Forgive me of all my sins. Cleanse me from all unrighteousness. Say, Father Lord, be my Lord and my personal Savior. In the name of Jesus. And I want you to open your mouth and pray with fire. right now. This spiritual child. Born to demarriage. Born to ashes. Hallelujah. Especially if you've ever had a dream where you had a baby.

Suckling a baby. Barking a baby. Pray with holy desperation. Set them ablaze. Even if you had it when you're an unbeliever. Rewind. Set them ablaze. Ever. Set them ablaze. Hallelujah. Say every spiritual child. Every spiritual child. Born to demarriage. Fire burnt to ashes. In the name of Jesus. Listen. When these evil spirits. They will sleep with a man. Who collect his sperm. They'll come and sleep with a woman. Put the sperm in there. Then they will harvest the children. And then there will be more Nephilim spirits.

So if you've ever produced children in the dream. That means you help them to multiply their kind. We need to set them ablaze. Do you understand? I am telling you this because I is a witness. Let me sound like that. I is a witness of producing children in the dream. There is a witness of being with an angel. He is a witness of how he is alleged. So when I'm praying right now, I'm not going to be praying for you guys. I am going back to when I was an unbeliever and setting some children ablaze.

Hallelujah. Amen. Say every spiritual child born into the marriage, born into the marriage, in the name of Jesus, born to the marriage, born to ashes, catch fire, born to ashes. In the name of Jesus, go into labor. Push out that evil spiritual deposit. Push it out. Let them set up. Let the fire of God burn it up. Let the fire of God burn it up. Dissolve it right now in the name of Jesus. Let it dissolve that evil spiritual deposit inside your stomach in the name of Jesus. Fire of God.

Fire of God. Fire of God. Blood of Jesus begin to churn inside the womb. Begin to churn inside the womb. Begin to churn inside the womb right now. Right now. Roko shakarabosata. The fire of God. The fire of God. The fire of God. You're going to feel your stomach contracting. You're going to feel it cramping. You're going to feel it cramping. In the name of Jesus. I want you to pray. I want you to redraw your body. Your body fluid. Your sperm. Every part of your body deposited on the altar of the spirit husband. Like I said, we had a lady here who said that they have captured the husband's wee-wee. And it is in the marine kingdom under the water. The man can't have children. The man is impotent. There are people whose wombs have been captured. Are on the altar of the spirit husband. That's why you can't have children.

There are people whose marriages, whose destinies are on the altar of the spirit husband. Sometimes they capture your glory. And you're going around. Good things cannot happen to you because your virtue has been captured. It's at the altar of the spirit husband and the spirit wife. So I want you to pray right now. Say, I withdraw my blood. I withdraw my blood. My body fluid. My body. My virtue. My virtue. And men, you say your sperm. You say your whatever. Whatever you need to withdraw.

Your organs. There are people that there are things of yours that are in the altar of the spirit husband. You need to withdraw it. Amen. Hallelujah. And you're going to do a prophetic action by withdrawing it. You're going to take it back. I withdraw my blood. I withdraw my body fluid. I withdraw my stuff. I withdraw my virtue from the altar of the spirit husband. I withdraw my blood. My body fluid. My womb. Any part of my body in the altar of the spirit husband. I withdraw it.

I withdraw it. I withdraw it. I withdraw it. Any part of my body in the altar of the spirit husband. I will draw my blood I will draw my blood I will draw my body free I will draw my will I will draw every part of my body from the altar and the spirit of love I will draw my virtue my marriage my destiny I will draw my soul I will draw, I will draw, I will draw, I will draw, I will draw, I will draw, I will draw, I will draw, I will draw from the altar of the spirit husband.
